LashFood Original, Natural Eyelash Conditioner

PRODUCT FEATURES:

Condition and strengthen lashes to naturally become fuller and more voluminous! This innovative product's natural ingredients safely provide you with incredible results: longer, thicker, stronger, more beautiful lashes!

Formulated specifically for those with sensitive skin, this formulation is recognized for its effective results by renowned board certified physicians and does not cause side effects, stinging or irritation to the skin.

KEY INGREDIENTS:

Performance Herb Extracts™

Natural plant extracts to help fight the formation of DHT on hair producing cells and to nourish lashes

Soy Protein

Natural protein to strengthen, condition, and sooth lashes

Copper Complex™

Essential copper micro-nutrition for anti-hair loss

Panthenol

Provitamin conditioner to thicken, strengthen lashes and prevent breakage

Arginine

An essential amino acid for hair growth

Biotin

Natural B Vitamin necessary for promoting hair growth and reduce hair loss

WARNING:

If solution gets into eyes, thoroughly rinse eyes with running water. Discontinue use if skin becomes red, swollen, irritated, or itchy during or after use. If irritation persists, please consult a physician.

LASHFOOD®
